CITY OF CUBA CITY BUSINESS SPOTLIGHT PROGRAM

The City of Cuba City features local businesses in a bi-monthly Business Spotlight on the City website.

The aim of this program is to showcase local businesses and foster pride in Cuba City’s thriving business community and strong local economy.

Featured businesses must be located in the City of Cuba City, provide direct services or sales to the general public and have a positive impact on the community.

Businesses interested in being featured may contact the Economic Development Director at (608) 744-2152. No guarantee can be made that a business will be featured on the Cuba City Business Spotlight.

About Nick’s Cafe

Nick’s Café in Cuba City, Wisconsin, was launched in 2003 and quickly developed a reputation for fine food and outstanding customer service. Wanting to “keep people interested” owner Bobby Shabani and his wife Olta recently decided to update the dining experience at their café located at 119 S. Main Street in Cuba City. It appears that the second generation, family-owned restaurant has succeeded in this undertaking.

While the restaurant was already well-known for its bright, clean feel; Bobby and Olta identified a color scheme which builds upon that positive customer experience. In addition, they were able to incorporate LED lighting, high definition artwork for the walls and energy efficient ceiling fans. New tables and flooring added to the clean, new look of the popular family restaurant. Bobby feels that the bright colors they selected will bring positive moods to his patrons and adds that, “the final product came out better than planned.”

The hallway at the back of the dining room is now “Memory Lane” with nostalgic artworks that had previously graced the dining room now on display there. The restrooms have also seen an update.

The interior remodeling follows a significant façade improvement that Nick’s undertook in 2015. That exterior work included paint, new blinds, door, and a new awning/signage. The interior makeover was completed in just five days, exactly on schedule. The selected contractors put in very long days to ensure that this Cuba City favorite was re-opened to the public on Monday morning. Response has been highly positive and further details are available on the diner’s Facebook page.

Nick’s Café is open for breakfast and lunch seven days a week and dinner on Fridays. You can contact them at 608-744-3424.
