### **PRESS RELEASE**

#### **SUPERHERO K9 THOR FROM THE CUBA CITY POLICE DEPARTMENT SEEKS YOUR HELP!**

*The Cuba City Police Department and Non-Profit Keeping K-9s in Kevlar hope to fund K9 Thor with a bullet resistant vest to help him save the community!*

**Cuba City, WI:** For many law enforcement departments, bullet resistant vests for K-9s are not in the budget. Instead, departments rely on nonprofit assistance to acquire the protective gear. Non-profit Keeping K-9s in Kevlar accepted the responsibility to bring the community together and help fund a four legged Avenger from the Cuba City Police Department named K9 Thor for his Superhero cape (a bullet resistant Kevlar vest) to continue to safely save the community! Each vest would cost \$3,100 without nonprofit assistance. However, Keeping K-9s in Kevlar receives \$620 superhero discounts with each vest. The [K9 Storm, Inc](#) vest for Superhero K9 Thor costs \$2,480. Community donation assistance is requested and beyond appreciated to help support your local Superhero; K9 Thor!

**An Avenger Superhero's Day:** K9 Thor's impressive workday includes, but not limited to, pursuing the most violent offenders, taking narcotics off the streets, article searches, area searches, and building searches. The Kevlar vest in need of funding will protect the Avenger against stabbing, shrapnel, and bullets shot from common handguns as he saves the day. The vest also protects against impalement, barbed wire fences, and environmental hazards while the Superhero is tracking. Fundraising is continuous to ensure a Kevlar vest is purchased for K9 Thor.

**To Donate:** Keeping K-9s in Kevlar raises community funds through [PAYPAL](#) or <https://bit.ly/3GJa8We>. K9 Thor will receive 100% of donations to fund his vest. The community will be updated on Keeping K-9s in Kevlar's Facebook page of the amount raised with each social media post. If donations exceed the total of \$2,480 after the campaign is announced it's over, the additional funds will roll over to the next K9 in need of assistance.
