October/November Issue

## CITY OF CUBA CITY BUSINESS SPOTLIGHT PROGRAM

The City of Cuba City features local businesses in a bi-monthly Business Spotlight on the City website.

The aim of this program is to showcase local businesses and foster pride in Cuba City's thriving business community and strong local economy.

Featured businesses must be located in the City of Cuba City, provide direct services or sales to the general public and have a positive impact on the community.

Businesses interested in being featured may contact the Economic Development Director at (608) 744-2152. No guarantee can be made that a business will be featured on the Cuba City Business Spotlight.

## About Junque Stops Here

Becky Day and David Thommen, owners of Junque Stops Here, are being recognized as Cuba City's third bi-monthly Business Spotlight Honoree. Junque Stops Here, Cuba City's newest business, officially opened on August 15, 2014 and employs 1.

Day and Thommen's Antiques Store, adds to the growing cluster of stores specializing in the sale of classic Americana goods in Cuba City's downtown. The store is located on Main Street and is open daily from 10 A.M. to 5 P.M.

## What's going on?

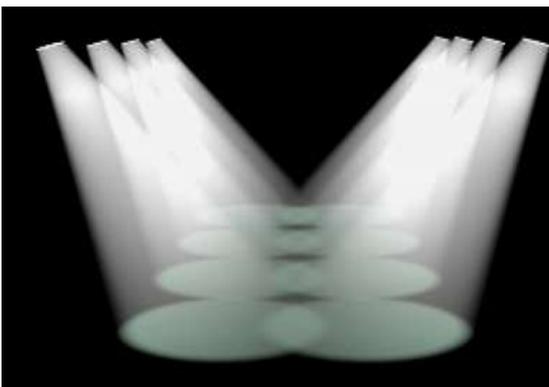

With the store nearly full of quality vendors, shoppers never know what treasures they'll find at Junque Stops Here.

## Settling In

Becky and David have spent most of the last month settling into their new confines. As one of Cuba City's oldest buildings, with plenty of space and in a great location along busy Wisconsin Highway 80, it is well suited for an antiques store. However, to make it their own, there was work that needed to be done. Signs were placed, the building was cleaned, and the roof was repaired, in addition to finding vendors to fill the store. Looking forward, Becky and David are planning to add more vendor space upstairs and renovate the façade of their building, adding an awning and a fresh layer of paint to the store.

## Vendors

In just over a month, Becky and David have nearly filled the over 4,000 square foot building. Only 150 square feet is left, that is, until the upstairs is ready. Most vendors rent one case or booth, though some have multiples. Jewelry, toys, military memorabilia, old tools, license plates, comic books, dining ware, and furniture are among the vast supply of regular items

Becky or David are at the store every day, organizing shelves, running the register, and helping to move large merchandise.
