

Cuba City 2040

What is Cuba City 2040?

Cuba City 2040 is the project which will update the City's Comprehensive Plan. The current plan was created in 2009, so Cuba City 2040 is an opportunity to update the data, goals, and strategies of the City's long-term plan to better reflect today's population and economy.

The final plan will address challenges and opportunities in the following areas:

- Housing
- Transportation
- Utilities & community facilities
- Agricultural, natural, & cultural resources
- Economic Development
- Intergovernmental cooperation
- Land use
- Implementation

The City has hired a consulting firm called Redevelopment Resources to manage the project and provide recommendations which will help us continue to thrive.

We need your help to make sure this plan is well-suited to Cuba City, for current and future residents and businesses. You will have several opportunities to share your experiences, concerns, and ideas throughout the project - here's how!

How you can get involved:

1

Sign up for email updates

Visit the City's website (under Public Notices) or Facebook page to find a link to sign up.

2

Fill out a survey in the fall

Look for a survey posted to the City's website and Facebook page in October or November.

3

Participate in Open Houses and Focus Groups October - January

We will host 3 open houses that will be fun and interactive opportunities to share your ideas. Focus groups will be held with various community organizations.

4

Attend the Public Hearing in April

The Public Hearing will be an opportunity to respond to the proposed plan before it is finalized.

Stay informed

No matter how you get involved, make sure you stay up to date on what's going on with Cuba City 2040. Updates will be posted to:

- the City's website under "Public Notices"
- the Cuba City facebook page
- newspaper and bulletin board at City Hall
- our email list - sign up!
- Plan Commission and City Council meetings
